COMMITTEE APPLICANTS

Several years ago, the Symmes Township Trustees implemented a policy of posting all standing committee positions as terms expired. This was done to allow all interested residents to apply for positions in the Township and create a database of residents wishing to serve the community.

Sometimes, there are strong incumbents whose term has expired and they will be considered for re-appointment. If you apply and do not secure the appointment, your resume and application will be saved for further consideration. There will be future opportunities to apply for any other openings in which you may be interested.
