Dear Bill,

This quote is for renewal of your security features and product warranty for your Firewall. Without this service plan the Firewall will not protect your network properly and provide the needed hardware maintenance in case of a failure. These are typically renewed on a 1 or 3-Year option. However, there is no break for signing up for the longer term. Velecor gets notified that it is time to renew your Firewall and we send this quote to gain approval to renew. If you have any questions please let us know.
