PARK RULES & REGULATIONS

Effective January 2026

Section 1 – Operations

Township parks will be open for public use only during daylight hours, or at times officially posted by the Board. No person shall remain in or use any part of the park facilities after closing time unless the Board grants specific written permission.

The parks will be open for public use only during the following times:

April 1 – October 15	7:30am to dark
October 16 – March 31	8:00am to dark

Areas may be closed whenever conditions are such that any activity conducted thereon would cause unnecessary damage to such area. Park areas under construction or development are closed until such a time as opened by the Board for public use. Areas to be closed shall be posted.

Section 2 – Reservations for Picnic Shelters/Amphitheater

Picnic shelters may be reserved through the Township office and are available at Symmes Park, Seven Gables Park, Home of the Brave Park, and Hopewell Meadows Park. The Amphitheater is available only at Symmes Park. The shelters and amphitheater may be reserved from April 15 to October 15, between the hours of 11:00am and closing.

Groups of 12 or more must reserve a shelter and provide the maintenance impact fee payment and deposit to the Township prior to the use of a shelter.

Symmes Township residents/businesses (those having an address in Symmes Township and living inside the township) will have priority in making reservations. Reservations for the coming calendar year will be taken online through the website after January 1. Non-residents may schedule after April 1. The Township reserves the right to match group size with shelter capacity. No one may reserve a shelter for more than the capacity of the shelter listed in these rules for safety and parking reasons. *Township residents are not permitted to reserve a shelter for non-residents.*

Reservations must be made by an adult at least 18 years old who assumes responsibility for the group and condition of the area after the group has departed. The deposit and Maintenance Impact fee must be received within three (3) working days after the reservation is made or the reservation will be canceled.

The deposit/Maintenance Impact fee schedule is as follows:

Groups of 12 or more must reserve a shelter and provide the maintenance impact fee payment and deposit to the Township prior to the use of a shelter.

Shelter	Capacity	Deposit	Fee	Non-Resident Rate
Leming	80	\$250	\$200	\$350
Shady Ridge	64	\$250	\$185	\$335
Deer Run	48	\$250	\$170	\$320
Amphitheater		\$250	\$150	\$300
Seven Gables	20	\$250	\$140	\$290
Hopewell Main	68	\$250	\$200	\$350
Hopewell Remote	38	\$250	\$170	\$320
Home of the Brave	60	\$300	\$250	\$400
Special Events		\$400	\$525	\$675
Daycares at HOB		\$250	\$250	\$400

The deposit and/or Maintenance Impact fee may be waived at the discretion of the Board or its designated agent. Payment of the deposit/impact maintenance fees must be made with a credit card and paid on the township's website – no cash or checks will be accepted.

The deposit for reservation and use of the park shelter is not a payment of a fee or consideration to enter and use the park premises. It is only intended to ensure proper cleanup of the shelters. Users of the park shelters may take advantage of all the other kinds of recreational activities offered in the parks. Because all of these activities are available to the general public without charge, users of the park shelters are free to use them when they are not already being used by other parties.

Reservations are for rain or shine. The Maintenance Impact Fee is refundable if the event is canceled ten (10) days prior to the scheduled date. After the event is over and the reserved area is checked and deemed satisfactory, the deposit refund will be processed. This process takes approximately two (2) weeks.

The user is totally responsible for all necessary set-up and clean-up, including (but not limited to) removing decorations (i.e., tape, staples, tacks, and nails, etc.), cleaning tables, benches, grills, etc., placing garbage in trash containers and cleaning up after games. No paint, paintballs, glitter, silly string, grease, chalk, confetti, food remnants from throwing food, bubbles, etc.

will be allowed in the shelters or restrooms for any reason. Failure to clean up or any damage to the shelter, concrete base, equipment, electricity, etc. will result in forfeiture of the deposit, as well as an additional charge for clean-up or repairs by Township personnel. The clean-up must be completed on the same day as the event. Compliance with this rule for purposes for deposit refund shall be the sole determination of the Board's agent.

Users will not be permitted to have inflatable bounce houses, slides, etc., pop-up tents, livestock, kettles, private grills, fire pits, or anything that may burn coal, wood, etc. Please place all coal from Township grills in the hot coal bins located next to the grills – do not dump them in the trash cans. Failure to abide by these rules will result in forfeiture of the deposit. If the shelter is occupied by other persons and there was a reservation made, please call NECC at 513-677-7000 to have a Sheriff's Office Deputy respond.

Section 3 – Child Supervision

No child under 12 years old should be left unattended in any area of the park.

Section 4 – Athletic Areas

Use of the athletic fields will be allowed by non-school athletic groups which provide organized team sports for Symmes Township children through the Indian Hill, Loveland, and Sycamore school districts. Each group will be required to observe all guidelines established by Symmes Township for use of the fields.

All use of athletic fields must be reserved through the Township for use by recreational teams or organizations. All teams shall pay a \$30.00 resident fee/\$60.00 non-resident fee per player per season to help off-set maintenance costs. If field lights are requested during game play or practice, then teams will be required to pay a fee of \$40.00 per use/per day. Teams will be required to request and pay for the lights on the website prior to use. Failure to pay any of the fees will result in loss of field usage in the future. All teams are required to provide a roster of players each season to determine the total user fees. No field space can be sold or reallocated to another team unless authorized by Symmes Township.

Athletic fields may be closed whenever conditions are such that the use thereof would cause significant damage to the playing surfaces. Areas to be closed will be posted on our website.
