APPEAL NO. 2013-17

WHEREAS, John Glenski, 9429 Woodcrest Drive, Loveland, OH 45140, appellant, on August 28, 2013, filed Appeal No. 2013-17 under Section 183 of the Zoning Resolution, seeking a variance from the literal enforcement of Section 346.1 of said Resolution as applied to the property at 9429 Woodcrest Drive, Symmes Township, Hamilton County, Ohio; and

WHEREAS, said appellant, on August 28, 2013, applied to the Symmes Township Zoning Inspector for a Zoning Certificate for the construction of a fence with less open face area in the side yard of the home; and

WHEREAS, said Zoning Inspector, on August 28, 2013, acting upon said application and the plats and plans submitted, refused to issue said Certificate, his reasons being based upon the maps and regulations of the Zoning Resolution; and

WHEREAS, a public hearing was scheduled for said appeal on October 7, 2013, notice of such hearing was given by first class mail to parties in interest and also by publication in a newspaper of general circulation in the Township at least ten (10) days prior to the date of said hearing in accordance with Section 303.15 of the Ohio Revised Code; and

WHEREAS, Section 41 et seq. of the Zoning Resolution and the Symmes Township District Maps designate said premises to be in the "A" Residence District; and

WHEREAS, Section 346.1 provides, in relevant part, that no fence or wall located in the front or side yard shall be built to a height greater than three (3) feet and shall have an open face area of no less than fifty (50%) percent or when constructed to a height of not more than four (4) feet above grade, shall have an open face area of no less than seventy-five (75%) percent; and

WHEREAS, according to testimony offered at the public hearing, the request is to allow the construction of a six-foot high privacy fence on top of an existing three foot high semi-circular retaining wall in the side yard of the subject property; and

WHEREAS, according to further testimony offered at the public hearing, the property is located on the west side of Woodcrest Drive, north of McKinney Road; and

WHEREAS, according to further testimony offered at the public hearing, the applicant is requesting the construction of a privacy fence to screen the view of a large RV trailer parked along the property line immediately to the south which is located in the City of Loveland; and

WHEREAS, according to further testimony offered at the public hearing, the proposed fence would be thirty-eight feet in length wrapping around the top of the semi-circular retaining wall and would not connect to any existing fences or to the home or garage structure; and

WHEREAS, according to further testimony offered at the public hearing, the applicant's home was recently constructed and has a patio area between the front entry garage and the "L" shaped home. This creates a "U" shaped patio area that opens onto the side yard to the south and points directly toward the neighbor's rear yard; and

WHEREAS, according to further testimony offered at the public hearing, the home to the south is a traditional two-story home with a two car front entry garage. An additional two car detached garage has been constructed behind the home with an expanded driveway area where the neighbor stores the large RV trailer; and

WHEREAS, according to further testimony offered at the public hearing, the proposed fence would be located behind the rear line of the garage on the subject property and would not likely have a negative impact on the aesthetics of the neighborhood; and

WHEREAS, according to further testimony offered at the public hearing, the proposed fence would be setback eight feet from the southern property line and will provide access between properties for proper maintenance; and

WHEREAS, 184.6 empowers this Board to permit a variation in the yard requirements of any District where there are practical difficulties or unnecessary hardships in the carrying out of these provisions due to irregular shape of the lot, topographic or other conditions, provided such variation will not seriously affect any adjoining property or the general welfare; and

WHEREAS Section 185 provides, in exercising the above mentioned powers, the Board may reverse or affirm, wholly, or partly, or may modify the order requirement, decision or determination appealed from, and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all powers of the Officer from whom the appeal is taken; and

WHEREAS, it is the consensus of this Board, after careful consideration of all the facts, testimony, and evidence submitted, that the literal enforcement of the strict application of Section 346.1 of the Zoning Resolution will result in unnecessary hardship to the appellant of the property in question; and

WHEREAS, the variation, in accordance with the following conditions, will not seriously affect any adjoining property owners or the general welfare; and

NOW, THEREFORE BE IT RESOLVED that upon consideration of the foregoing, the Symmes Township Board of Zoning Appeals does hereby grant a variance from the requirement of Section 346.1 of the Zoning Resolution in accordance with the authority granted in Section 184.6. Furthermore, the decision of the Zoning Inspector to deny the issuance of a zoning certificate for the reason that the application failed to comply with Section 346.1 of the Zoning Resolution is affirmed, but in accordance with the authority of Section 185, the Board of Zoning Appeals, having granted a variance as stated above, hereby determines that a zoning certificate may be issued to the applicant consistent with the terms set forth in this Resolution; and

SUBJECT TO THE FOLLOWING CONDITIONS:

1. That, the proposed privacy fence be constructed exactly as shown on the plats and plans submitted to this Board;
2. That, the proposed privacy fence not be relocated or enlarged without the approval of this Board;

BE IT FURTHER RESOLVED that all plats, plans, applications and other data submitted be and are hereby made a part of this Resolution.
